RUSSEL M. LABIAGA

Web-Developer

Professional summary

I graduated in University of Mindanao, Philippines under the course of Bachelor of Information and Technology, but back when I was still a student, I used to do commission works for other people and it really helped me hone my skills in programing.

     With my expertise in the field of web development, I can help you create a website that achieves your goals and exceeds your expectations. Afterall, I love my job and I'm passionate to create wonderful yet functional websites that are easy to use and maintain.
